LEVY REPORT  
2025-2026**

## Introduction

Under the provisions of the Board's Rate Policies and Guidelines, a rate study is to be completed in accordance with a number of industry-wide best management practices. In 2023, the District commissioned a study by HDR Engineering, Inc. (HDR), a well-qualified firm that have previously completed several rate studies for the District. The 2023 Rate Study examined the effects of growth, future expenditures, general inflation, and planned capital replacement funding, and developed a model to forecast the Regional Wastewater revenues necessary to meet District obligations over the next five years. These models look ahead over the subsequent ten years to anticipate future trends. The Board received a report on the results of these rate studies at its meeting of March 7, 2023.

On May 2, 2023, DSRSD Board of Directors adopted Resolution No. 14-23, a Resolution establishing the Local and Regional Wastewater Rates under Section 5.30.020 of the District Code of Regulations that allows Board of Directors to establish user charges by resolution. The Board of Directors held a public hearing and by resolution adopted a five-year schedule of increases for Local and Regional Wastewater Rates. Those rate adjustments were for the period of July 1, 2025, to June 30, 2026.

Increases in charges for "property related fees and charges" are subject to the "majority protest" provisions of Article XIII(D), Section 6 of the California State Constitution. This provision of the State Constitution was added by the voters through an initiative process in 1996, known as Proposition 218. Public involvement in the rate setting process is mandated by Proposition 218. The District held a public hearing on June 17, 2025, and there was no majority protest.

Section 5.30.120 "Methods of billing wastewater charges," of the District Code of Regulations allows the District to use a variety of methods to collect wastewater charges, including wastewater service charges, as authorized by the Board, whether delinquent or not, including use of the property tax roll. It goes on to provide that when the District elects to have its wastewater charges collected on the tax roll in the same manner as property taxes. The proceedings shall be those set forth in Section 5473 of the Health and Safety Code and Section 61115(b) of the California Government Code.

## Summary of Charges

DSRSD treats wastewater at the Regional Wastewater Treatment Plant for the District's customers in Dublin and southern San Ramon, as well as by contract for the City of Pleasanton. The District's current Local Wastewater Rate pays for the cleaning, operation, and rehabilitation of the sewer collection system in Dublin and southern San Ramon.

Below is a summary of the annual wastewater service charges for various residential unit types that will appear on the 20235-26 (July 1, 2025, to June 30, 2026) secured property tax bill as "DSRSD SEWER SVC" on the secured property tax bill and is mailed in the fall.
